

# PRODUCT GUIDE 2024

Welcome to our 2024 Product guide. As a Food Importer, we proudly work with a network of BRC certified manufacturers located across the globe, including China, Vietnam, India, Egypt, Italy, Thailand, Lithuania and Turkey. These partnerships enable us to offer you an exceptional and diverse range of high-quality products. Our product portfolio encompasses categories such as breadcrumbs, pasta, a diverse range of sauces, purees, pastes, varieties of rice, semi-dried vegetables, jalapenos, capers, gherkins and more.

Continually evolving to meet and exceed the needs of our customers, our product range is consistently expanding. We specialize in providing not only a broad range of staple products but also tailor-made and bespoke items to suit our customers specific requirements.

We can accommodate orders ranging from a minimum of a mixed full pallet, to larger-scale direct container shipments from the country of origin. Our robust transport network spans the entirety of the UK, Ireland and The Channel Islands, ensuring prompt and efficient delivery services. For most locations, we offer the convenience of next-day delivery, should it be required.

For any inquiries or detailed discussions regarding the products featured in this guide, please feel free to contact us and we can send you samples of product, pricing and any technical information you should need.
